## *generations of Nutcracker*

Marin Ballet has been creating opportunities for young dancers to perform for over five decades. One of the most memorable experiences for our students is the excitement and camaraderie of *Nutcracker*. More than a tradition that dancers share as part of their foundation of American ballet, *Nutcracker* is also an endearing hallmark of holiday festivities for thousands of Marin County audiences each year.

Our *Nutcracker Sponsors* are special members of the Marin Ballet community. Your support ensures our legacy of performance while underwriting free *Nutcracker* tickets to social service agencies, schools, and art programs throughout the North Bay.
